DAY 1

Depart Hometown USA and travel to a great weekend destination—**Kansas City, Missouri**. Upon arrival we'll visit the **American Jazz Museum and Negro League Baseball Hall of Fame**. Later afternoon finds us checking into our **1st class hotel**, our home for the next **two nights**. This evening we've arranged a tasty **Kansas City barbecue** along with a fun night of live **Jazz**.

DAY 2

Breakfast is included this morning before our busy day begins. First on our agenda is a **music clinic** at the University of Missouri—Kansas City. This music professor is sure to help with the dynamics of your school music program. The afternoon finds us at the famous **Kansas City Zoo**, a 200 acre park with a special emphasis on Africa. Late afternoon finds us at Union Station for a visit to the **Imax Theater** before returning to the hotel with time to freshen up before we enjoy a wonderful **dinner theater** experience.

DAY 3

We've included **breakfast** again this morning before we check out of our hotel. Our day has been set aside for the **group performance** and visit at **World's of Fun**, a 175 acre entertainment complex featuring MAMBA, one of the tallest, longest and fastest coasters in the world. Late afternoon finds us heading homeward with great memories of our weekend adventure.
