SAMPLE ITINERARY

TOUR CAN BE CUSTOM CREATED TO MEET ANY SPECIFIC REQUIREMENTS MAKING THE BEST TOUR FOR YOU AND YOUR STUDENTS!

DAY 1

Your arrival in the New York City airport finds you being met by your Integrity Travel Tour Director for the motor-coach transfer to your Midtown Manhattan hotel. After check in the Tour Director will give everyone the "lay of the land" in the Times Square area before we depart to Little Italy for a fantastic dinner. Time will then be allowed for shopping and browsing on Canal Street before returning to our hotel.

DAY 2

A local guide joins us this morning for a comprehensive sightseeing tour of the city which will include the Upper West Side, Central Park, Harlem, Times Square, the Diamond and Garment Districts, Greenwich Village, SoHo and of course, Ground Zero. This afternoon we've arranged a clinic at the Lincoln Center for Performing Arts followed by a great behind the scenes tour. Next we're off to dinner and a tremendous Broadway Show. After the show we'll get a group photo in Times Square.

DAY 3

Our morning has been set aside for a group performance in New York City. Then we have the afternoon free to explore Times Square before we enjoy another tasty dinner and Broadway Show.

DAY 4

We've scheduled a visit to the Today Show this morning before we enjoy a tour of the NBC Studios followed by a fantastic view of the city from the Top of the Rockefeller Plaza Observation Deck. Early afternoon finds us at the Metropolitan Museum of Art, definitely a world class environment. Our last evening in Manhattan is free to explore, shop or perhaps take in another Broadway Show.

DAY 5

This morning has been set aside for us to visit the Statue of Liberty and Ellis Island. Plenty of time will be allowed for visits to both sites before we motor-coach back to the airport for our flight home.
