### THREE MEANINGS OF INTEGRITY HONESTY - RELIABILITY - RESPECTABILITY

*I assure you each of these when you choose Integrity Travel Inc. of Cedar Rapids, Iowa. Citizens State Bank customers from Eastern Iowa have enjoyed several trips throughout the United States with Integrity Travel Inc. and are anxiously awaiting a tour of Australia and New Zealand early in 2006.*

*Our past travels have taken us to Alaska, Reno and San Francisco, New York, Niagara Falls and Hawaii. We have also enjoyed Branson, Missouri several times during the Christmas holiday season.*

*John Piquett, owner and president of Integrity Travel Inc. has been our biggest asset in making these tours successful. Our guests have enjoyed wonderful worry free vacations thanks to John and his dedicated staff. We have had many repeat travelers and our customers are always wondering what is coming up next.*

*I have had the opportunity to accompany most of these trips and have been totally impressed with John's knowledge about each tour destination. John treats each guest with respect and his or her pleasure throughout the tour is the number one concern from beginning to end.*

*I am very much looking forward to traveling with John and Integrity Travel Inc. for many years to come. I recommend you give Integrity Travel Inc. a try - I guarantee you will be more than satisfied!*
