Dear John,

On behalf of the students, parents, and faculty of the Lincoln High School Band, I would like to take the opportunity to tell you what a pleasure it has been to work with Integrity Travel during our last two trips to Orlando, Florida. I want to say thank you for all of your hard work, planning, and great communication.

The Lincoln students have experienced great trips because of the well-planned itineraries you have put together. Integrity Travel is always more than accommodating when it comes to customizing the trip to the director's wishes and the band's needs. You understand what activities band students enjoy, and you also understand that a great trip is filled with fun activities, educational opportunities, and great musical experiences.

Having an Integrity Travel tour director such as you accompany our band is a great asset, as well as a huge stress reliever. Your ability to make adjustments to accommodate our needs makes our trips worry-free. Having a tour director available to handle details such as park tickets, hotel accommodations, and meal arrangements, allows the directors to relax and enjoy the trip along with the students.

The Lincoln Band values the relationship it has with Integrity Travel, and we look forward to continuing that relationship in the future. Integrity Travel is tops in the business and I would recommend them to any director or group that asks.
