Dear Pete,

Even though I am not in charge any more, I just wanted to thank Integrity Travel in general and you in particular for the great tour to Florida you set up for the New London band. It was super. Your attention to details was excellent and your rapport with our kids was great. It is so nice to have an escort to take care of making sure the tickets are ready, the room keys are taken care of, etc., etc. It is so much better than the old days when the bus driver was also in charge of everything else and he or she had more important things on their mind than taking care of tickets.

And speaking of bus drivers, Ellen was simply the best!! Besides driving safely, she got along so well with our kids and chaperons so well. I have had a lot of drivers in 40 years of trips, and she was definitely at the top.

Thanks again for your fine work. I am sure you will hear from us again. And I would not hesitate to recommend Integrity Travel to my many friends in the business for travel arrangements.

Sincerely,
