

PRECIOUS

**A trip to Washington, D.C.,
Was a dream for me, you see,
The WWII Monument, you bet,
Many nice people we met.**

**I saw the love of my life,
His hard work and strife,
With tears in my eyes,
I said my goodbyes.**

**We all rode so free,
On Bus No. 43,
With our driver, Vern,
We rode without a concern.**

**Tour Directors, Pete and John,
A job well done,
Both of you were so gracious,
I'd say it was just PRECIOUS.**

I want to thank you both for a wonderful time.

Sincerely,

Helen Hartin
